VIEW RESOURCE – CACHE RESOURCES

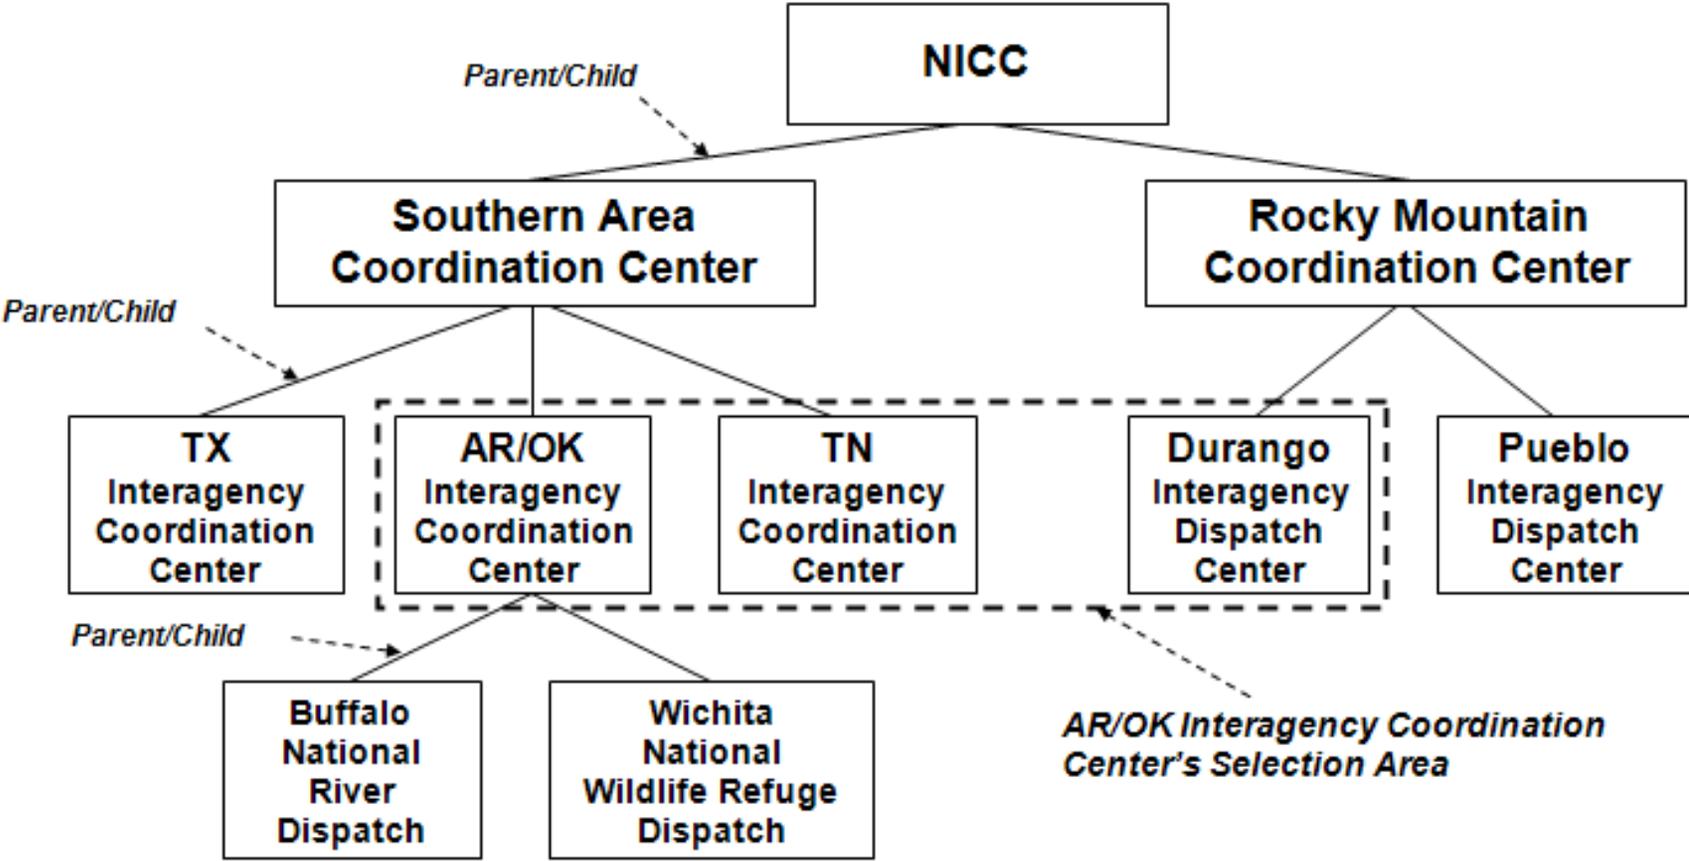

The screenshot shows a software window titled "View Resource" with a blue title bar. Inside the window, there is a section titled "External Cache Resource" which contains six input fields: "Requested Item", "Resource Status", "Provider", "Home Dispatch", "Current Dispatch", and "System Number". A "Close" button is located in the top right corner of this section. Below this section are three tabs: "Assignment History", "Documentation", and "External Cache Info". The "Assignment History" tab is active and displays a table with the following columns: "Incident", "Request #", "Requested Item", "Mob ETD", and "Mob ETA". The table is currently empty. At the bottom of the window, there is a "Print" button and two navigation arrows. A tooltip is visible over the "Print" button, containing the text "Print NFES Request+" and "Print Assignment History".
