

Filling with Single Resource

DATE: 08/09/10

VERSION 2.12

Use this card when you want to fill a smokejumper request with a single resource.

Drawbacks in using this method include:

- X** You can't track individual smokejumpers in ROSS.
- X** You can't assign individual resources.
- X** You can't reassign smokejumpers to other positions or bases in ROSS and show accurate resource movement.

For better tracking of smokejumpers, refer to these Quick Reference Cards:

- ✓ Fill with Assignment Roster using Master Roster.
- ✓ Fill with Assignment Roster using Configuration.

To fill an IA load of smokejumpers request with a single resource

- 1 On the **Request** menu, click **Pending Request**, or click **PR**
- 2 On the **Pending Request** screen, search for and then click to select the **IA load of smokejumpers request** of your choice.
- 3 On the **Available** tab, click **Query** and then click to select the **resource name** of your choice.
- 4 Click **Fill** and then click to select **Fill with Single Resource**.
- 5 On the **Fill Request** dialog box, complete the **travel information** as appropriate, and then click **OK**
- 6 On the **Request Action Message** dialog box, click **OK**
