

**SELECTION AREA
EXERCISE #1
Selection Area**

You must have a subordinate dispatch center to complete the exercise.

1. Create a new selection area for a subordinate dispatch of your office (Dispatch A.)
 - a. Search for an organization of your choice to include in the selection area.
 - b. Restrict the catalog to All Aircraft.
 - c. Check the Active box, and then save the area.

2. Create another new selection area for Dispatch A.
 - a. Use a different organization than you picked before.
 - b. Restrict the Category to Crew, Fire.
 - c. Check the Place Up Authorized box and save the area.

3. In the Ordering Authorizations for... field, check the Active box for the selection area you created for Crew, Fire.

4. Remove one of the Selection Areas you just created.

SELECTION AREA
EXERCISE #2
Direct Place and Place Up

You must have a subordinate dispatch center to complete the exercise.

1. Select a subordinate dispatch center in your area and create a Direct Order Affiliation.
2. For the same dispatch center, create a Place Up affiliation.
3. Remove the Direct Order Affiliation.
